Psalm 23

The LORD is my shepherd, I shall not want;
He maketh me to lie down in green pastures.

He leadeth me beside the still waters;
He restoreth my soul.

He leadeth me in the paths of righteousness
for His name's sake.

Yea, though I walk through the valley of the
shadow of death, I will fear no evil; for Thou
art with me; Thy rod and Thy staff,
they comfort me.

Thou preparest a table before me in the
presence of mine enemies; Thou anointest my
head with oil; my cup runneth over.

Surely goodness and mercy shall follow me
all the days of my life; and I will dwell in the
house of the LORD forever.

DONALD BRUCE JOHNSON

Don was born to Glenn and Reva Johnson in Oregon City, Oregon, joining his brother, Larry, to make their family complete. They started out in a small house in N.E. Portland, but when he was about five years old, they moved to Milwaukie, where he grew up and attended school, including two years at Warner Pacific College and a few classes at Portland State University.

When Don was a young teenager, he accepted Jesus Christ as his Savior, and has been involved in church and various positions of service and leadership ever since. It was through youth group events between two neighboring churches that he met his future bride, Pat Pierce. After dating for 2 ½ years they married and started their own family. Connie came along first, then Scott, and they lived in Portland and Milwaukie until 2022. At that time, Don and Pat ventured into a life-long dream of moving away from rainy Portland to sunny, dry country, which turned out to be Kennewick, Washington for them.

Almost all of Don's career was in Commercial Real Estate Lending at U.S. Bank, followed by a couple of positions with two other banks in the years before his retirement.

Over the years Don and his family enjoyed many activities together, and developed interests that continue to bind them to this day. Some of those included camping and boating, fishing, water skiing, tennis, motorcycles, and golf. Don also built hot rods with his dad and brother, which Pat learned to drive with the best of them. Oh, the stories we could tell, if we only had the time.

Along the way, the family was able to take some really special vacation trips together—many trips to the beach, St. George, Utah, Alaska, Hawaii, and Kootenay, B.C. Just a few weeks ago, the family enjoyed a vacation trip to St. George, Utah, to celebrate Don and Pat's 60th wedding anniversary. Through the years, Don felt deeply blessed by his family, and by so many dear friends to share this journey of life with.

Don is survived by his wife, Pat; Connie and Kris Oldham; Scott Johnson and Suzie McCausland; his sister-in-law, Ruthie Pierce, and many nieces and nephews.
